Policies on use of resources and on collaboration

Course: <u>Bi 114</u> Instructors: <u>Pamela Bjorkman, Sarkis Mazmanian</u> Co-TAs: <u>Bryan</u> Yoo, Kurt Reichermeier

This sheet outlines the default course policies for problem sets and tests. These may be overridden by other instructions in particular instances. However, by default, you are expected to follow these policies.

If you have any questions, ASK! Ignorance and confusion are not excuses.
