

ELEMENTARY SPANISH L110C

NOTE FOR PROSPECTIVE STUDENTS

If you are interested in learning Spanish and have not taken L110a (Fall) and L110b (Winter), or equivalent courses elsewhere, it is recommended that you wait till the next Fall term to start learning from the very beginning. Span L110c is the third course of a three-part elementary program. As such, it is hard to make-up in a short time the communicative skills developed during the previous 2 terms.

If you have studied Spanish before and want to confirm if this third term of elementary is the right level for you, please take the following informal placement test:

The minimum result should be A2. You should also be familiar with the communicative skills of the first 8 chapters of the textbook. Contact the instructors with a copy of your results, and a description of your previous experience with Spanish to get permission to register.
