

INTERMEDIATE SPANISH L112C

NOTE FOR PROSPECTIVE STUDENTS

If you are interested in Intermediate Spanish and have not taken L112a and L112b or equivalent courses elsewhere, it is recommended that you wait till the Fall term 2020 to start the intermediate level from the very beginning.

Span L112c is the third course of a three-part intermediate program. As such, it is hard to make-up the communicative skills developed during the previous two terms.

If you have studied Spanish before and want to confirm if this second term of intermediate is the right level for you, please take the following informal placement test:

The minimum result should be B2. You should also be familiar with the communicative skills of the first 5 chapters of the textbook RUTAS.
