

CALIFORNIA INSTITUTE OF TECHNOLOGY

DEPARTMENT OF ATHLETICS, PHYSICAL EDUCATION AND RECREATION

PE 10 AEROBIC DANCE

**Instructor:** Dorothy Waterman (FITDORTH@YAHOO.COM ) & Kelley Hazen (HAZEN @CALTECH.EDU)

**Office hours:** by appointment only

**Phone:** DW-(626) 818 0241 KH-(323)646-2154

**Time and Location:** Monday, 7pm to 8:30pm: MPR Wednesday, 7pm to 8:30pm: MPR

**COURSE DESCRIPTION:**

Aerobic Dance involves dance and aerobic elements. Zumba's choreography incorporates classic Latin dance movements. Dance Party's choreography incorporates popular club moves. Students will learn the history of Aerobic Dance and Zumba. Other dance styles involved within Zumba will be studied. Students will explore other choreography-based workouts. This course will also focus on basic components of cardio-respiratory fitness, muscular endurance, flexibility, stress management, exercise principles, and safety. This will be achieved through both activity (Aerobics, Zumba, Dance Party, Yoga and related activities) and lecture.

**COURSE OBJECTIVES:** Upon completion of this course, students will be able to:

1. Determine and monitor their own target heart rate using the Karvonen formula
2. Perform proper stretching and injury prevention techniques
3. Know differences between aerobic and anaerobic functions and activities
4. Know Principles of Exercise
5. Establish realistic fitness goals
6. Know basic Latin music rhythms and how to identify these
7. Know other dance and choreography-based workouts and have the ability to participate in these workouts.

**EVALUATION:** This is a 'Pass/Fail course. Students will be evaluated on PE and Recreation Class attendance (30%), class participation (30%), and a final individual project (40%).

**Attendance:** Students must attend 70% of all PE 10 classes (12 classes) and/or have no more than 3 unexcused absences. The only excused absences will be for **documented illness, university documented absence and documented family emergencies**. The instructor will take roll at the end of each class. Students who arrive later than ten minutes after the start of class will be marked as 'late'. Three 'late' arrivals will count as one unexcused absence. The instructor will be responsible for timekeeping.

**Recreation Class Attendance:** Students must attend and document participation in 1 Caltech Recreation Class. The Instructor Form must be signed by the Instructor of the Recreation Class to verify attendance and fully completed by the student and turned in no later than the date of the Final. A full list of Recreation Classes offered for this term can be found at [http://gocaltech.com/Recreation/2014-15/Winter\\_2015\\_Group\\_Fitness\\_Schedule.pdf](http://gocaltech.com/Recreation/2014-15/Winter_2015_Group_Fitness_Schedule.pdf)

**Class Participation:** Students must participate in the physical Workout at each class and any group discussion. Students will not be evaluated on their level of aerobic dance ability or the content of their contribution to discussion.

**Final Individual Project: Personal Course Heart Rate Graph:** Students will turn in at Finals their Personal Course Heart Rate Graph organized from data collected through two heart rates taken at every class and supervised by the instructor. This graph will be presented along with each student's written summation statement of the physical effects they believe they experienced while participating in PE10 Aerobic Dance and demonstrated by changes in their individual heart rates. Students will also evaluate these data based on information covered in class lecture material on the effects of environmental variables and scientific formula. This written summation statement should be 300-500 words in length.

**Passing grade:** A passing grade will be awarded to students who achieve the following:

1. Attend 12 or more classes, or provide a documented excused absence,
2. Accrue no more than 8 'late' arrivals,
3. Attend 1 Recreation Class, complete instructor verification form and turn in by date of the Final,
4. Participate in physical workouts and class discussions,
5. Complete Final Project (course heart rate graph & written summation) by date of Final.

**DRESS & SHOES:** Appropriate "workout attire" should be worn at all times. Cross training, dance shoes, aerobic shoes, and Zumba shoes are acceptable. No running shoes or other footwear is permitted. This is very important for the prevention of injuries. A water bottle is also highly recommended.

**ADDITIONAL POLICIES & GUIDELINES:**

1. **Please be on time to class. Students who are more than ten minutes late to class will be marked as 'late. Three late arrivals equal one unexcused absence. More than 3 unexcused absences equal a FAIL for the course. There are no make up classes.**
2. This is an activity-based course. All students are required to participate.
3. Any injury or illness should be reported immediately to the instructor.
4. Only students registered for the course may attend.
5. **ACCOMMODATING STUDENTS WITH DISABILITIES:** As provided in the Caltech Disability and Reasonable Accommodation Policy, Caltech provides reasonable accommodations to qualified individuals with disabilities. If you believe that you need accommodations, please contact Dr. Barbara Green, Associate Dean of Students, [barbarag@caltech.edu](mailto:barbarag@caltech.edu) (626) 395-6351, 210C Center for Student Services. Barbara is responsible for coordinating the accommodation process for undergraduate and graduate students. If you wish, you may also let your instructor know you have requested accommodation. Caltech's Disability and Reasonable Accommodation Policy can be found at <http://hr.caltech.edu/policies/policies-main.htm>
