

Psy 101 – Selected Topics in Psychology - Understanding Psychological Disorders. 9 units (3-0-6). Pre-requisites: Psy 13, CNS/SS/Psy/Bi 102ab. The course will survey mental health and psychopathology across the lifespan (e.g., in childhood, adolescence, and adulthood). Theoretical perspectives underlying mental disorders and related research will be reviewed in the broader context of methodical challenges in the classification, assessment/diagnosis, and treatment of the mentally unwell.
